Ghostly Murder A murder in a locked roomâ€”The faceless ghostâ€” Throw in a cross-dressing detective plus his assistant extraordinaire in this new mystery series! A high profile murder calls for a high profile detective. When the famous Sushi Czar is found dead in a room thatâ€™s locked from the inside, the evidence just doesnâ€™t add up. Of course a killer ghost (supernatural killer) is no match for the deductive skills of Michael Archangel. The fabulous cross-dressing former FBI agent can rock a set of sky high stilettos and assemble clues like puzzle pieces, but can he actually prove a ghost committed murder? Only his assistant knows for sure. Former housewife and London socialite Kelly Kinki (itâ€™s Kinki ending with an I not a Y) may someday be the Watson to Archangelâ€™s Holmes, but for now, sheâ€™s following orders, coveting his fashion sense and learning from the master PI that thereâ€™s something truly fishy about this case. Immortal Eyes Serial murder with a sick ritual... The most unusual way to use Eggs Benedict ...and the mismatched duos race against time... Former London socialite Kelly Kinki doesnâ€™t always see eye to eye with her sexy-as-hell boss Michael Archangel, but sheâ€™ll follow the brilliant, cross-dressing detective anywhere to help solve their latest case. Kelly was happy to lay her rep as the Dragon Lady to rest when she moved across the pond, but to catch an eyeball snatching serial killer sheâ€™ll have to put her skills at fire breathing to the test once again. A gruesome autopsy, a visit with her ex, and a shocking encounter with a killer compete for craziest day on the job, but nothing can hold a candle to a glimpse of her boss in the buff. Can Kelly and Archangel solve the case? The ayes have it. PIâ€™s that is. Deadly Vision A sweet n cold murder... A newbie, pathetic agent...and a HOT MESS... PI Assistant extraordinaire Kelly Kinki is back, and sheâ€™s stuck between a hunk and a hard case. A popular college student has been murdered after visiting a local ice cream shop. The suspect list is short and sweet, but with a fledgling FBI agent tagging along on their investigation, Kelly and her drop dead gorgeous boss Michael Archangel have an extra scoop of trouble. Trading his dress for a suit and hitting DCâ€™s top ten list of eligible bachelors may be business as usual for Archangel, but with a hopeless newbie screwing up the case and Kelly revving up his libido, solving this seemingly ordinary murder might not be cake for Americaâ€™s answer to Sherlock Holmes.
