

The Book That Gets You Results Score higher by reviewing and mastering the the Spanish language and literature concepts most likely to be tested We Know the AP Spanish Exam The experts at The Princeton Review study the AP Spanish exam and other standardized tests each year to make sure you get the most up-to-date, thoroughly researched books possible. We Know Students Each year we help more than two million students score high with our courses, bestselling books, and award-winning software. We Get Results Students who take our courses for the SAT, GRE, LSAT, and many other tests see score improvements that have been verified by independent accounting firms. The proven techniques we teach in our courses are in this book. And If Its on the AP Spanish Exam, Its in This Book We dont try to teach you everything there is to know about spanish--only the facts and techniques youll need to know to score higher on the Advanced Placement exam. There is a big difference. In Cracking the AP Spanish, 2000-2001 Edition, you will learn to think like the test-makers and \*Eliminate answer choices that look right but are planted to fool you\* Score higher on the free-response section by learning to focus your analytical skills quickly and efficiently \*Make outlines and use weaving to earn more points on essays\* Build your knowledge with a Spanish glossary of poetic devices Practice your skills on the two full-length sample tests inside (one each for the Language and Literature exams). The questions are just like the ones youll see on the actual AP Spanish exam, and we fully explain every answer.
