

Dear Diary delivers an entertaining approach to self improvement. Peek over the shoulder of an amusing teenager who feels that happiness and peace of mind are not possibilities. She feels victimized by the world at large and especially by her brother George. Through the course of the story, she overcomes her misery by learning to take charge of her feelings and control her thinking. She learns to like herself and feel peace of mind as George becomes her greatest ally. The story line allows the reader to identify with the characters feelings, share in her revelations and understandings, and evolve right along with her. Since learning to love yourself is a great lesson at any age, Dear Diary's light, but informative style appeals to both the 10 to 15 year old audience and adults equally.
