

College is much too serious to be taken seriously. Dear Student is a guide on how to avoid taking Higher Education too seriously. A collection of tweet-sized snarks about student papers, emails, and pleas. A great book to keep in your purse, pocket or bathroom because you don't have to remember any plot, characters, or worry about what will happen next. Keep it handy for when you need an emergency giggle or two. Sticklers, grammados, grammar police, and anyone who has ever graded a paper or cringed at a poorly written email will enjoy this book.
