

Don Quixote has travelled the land, taking part in many adventures along the way. Most of these adventures have ended in disaster, and now Don Quixote is back where he belongs - at home, with his niece and housekeeper to look after him. To his niece, Don Quixote seems content with his quiet life, but she can't see the thoughts and ideas formulating in his old and imaginative mind. One day, Don Quixote decides to hold a secret meeting with his squire, Sancho Panzo, and soon they are back on the road again. What awful beasts and wicked enchanters will they encounter along the way? Join Don Quixote as he sets out again on one of his madcap adventures.
