

EROTIC ROMANCE: Mature Audience Desperately needing a little R&R and a delayed honeymoon, plus research for an upcoming play, FBI agent Lily Foxworthy and her brilliant actor husband Peter von Rabenhorst, leave their Santa Barbara, California mansion for the Mayan ruins on the Yucatan peninsula. There are plenty of opportunities for lovemaking in the steamy tropical jungle and Peter gets the chance of a lifetime when he takes part in reenactment ceremonies as the ancient Mayan god, Quetzalcoatl - who he bears an uncanny resemblance to (according to Mayan legends). Unfortunately, along with the benign god Q, Lily and Peter also encounter an immortal Mayan god whos one of the bad guys (very, very bad!). The ending is emotional and this adventure has touches of Sci-Fi which are quirky and humorous.
