

Assistant DA Erin Jerome has a secret. Make that two. One: Shes not entirely human-shes Other, desperately trying to keep her supernatural strength under wraps. Two: shes got a killer stalking her-an Other rogue set on gifting her bloody corpses. But the bounty hunter on her new case isnt worried about any of that. Jude Donovan is a shapeshifter himself, and the new DAs midnight hair and addictive scent tell him all he thinks he needs to know: Shes gorgeous, shes definitely not human, and shes bringing out the animal in him in a really good way. He might have to track a psychotic Other stalker through half of Louisiana. But he might also get the chance to see Erins wild side come out and play. Contains mature themes.
