

This book is comprised of thirteen short stories written over the course of my 37 year police career. Each story attempts to weave in the theme of Gods hand having control over every single detail in each episode. Sometimes only revealing what happens in the natural but not the glorious end result of his marvelous plan for each of our lives. It is only in hindsight that you can see the mathematical improbability of how things unfolded, the supernatural design that took place in each of these events. It is my hope and prayer that we continue to live lives close to God and live in the spirit of his perfect will; Respectfully M.K. Chavez
