

Hitlers Elite: The SS 1939-45 tells the complete story of the SS at individual, unit and organizational levels. Following an explanation of the SS complex political and social origins, and its growth within the Nazi empire, it goes on to look at both its war record and its wider role in Heinrich Himmlers implementation of Hitlers vision for the Third Reich. As well as providing a combat history of the Waffen-SS from 1939 to 1945, it also explores themes such as ideology, recruitment, foreign SS personnel, training and equipment. The books textual history is brought to life with more than 200 photographs and colour artworks from Ospreys series titles. As a companion volume to Hitlers Armies and Hitlers Eagles, this book gives a detailed and highly visual insight into one of Hitlers most powerful instruments of policy.
