

For untold ages a dark presence has shrouded the small town of Orangefield. In addition to the plentiful pumpkins that gave the town its name, Orangefield is home to the dreaded Lord of Death himself, Samhain. Despite rumors of his existence, and rare, brief sightings, Samhain has long been content to leave the local inhabitants alone. But that's about to change...When a boy from the town disappears, detective Bill Grant is convinced Samhain is responsible. But even Grant cannot imagine the horrific extent of the Lord of Deaths grand scheme. As what may prove to be the last Halloween approaches, the fate of the world will depend on the survival of a small group of people, pawns in a terrifying game of cosmic proportions. Praise for HORRORWEEN: Sarrantonio paints portraits with words and imagery as well as anyone writing today.
