

When Las Vegas cocktail waitress Violetta Graves is wrongly accused of killing her ex-boyfriend, she knows the odds are stacked against her. Still, she'll do almost anything to avoid using her gift (hah!): the bad-luck-inducing ability to talk to ghosts. Being considered a murder suspect by hunky homicide detective Matthew Stone motivates Vie to straighten out her priorities. She's being framed by an unknown killer, her uptight sister has lost her ever-lovin' mind, and the hot guy she can't resist might have to arrest her. Vie has no choice but to turn to the supernatural for help, and try to remain in good spirits.
