

Scripture is sometimes difficult for children to read and understand. A personal relationship with Jesus Christ is hard to explain to a child. This book gives them a visual picture of how Jesus is with us every day and watches out for us. As Jayden comments about each verse in the 23rd Psalm, and shows excitement about living daily with Jesus, children begin to realize they can have a personal relationship with Jesus Christ. Jayden does many fun things with Jesus....like fishing, having a picnic, climbing a mountain and many things little boys love to do. When Jayden has a booboo on his knee, Jesus kisses it to make it better....and when the oil is poured on Jayden's head he is overjoyed. This book about the 23rd Psalm will make children want to read the Bible for more exciting adventures with Jesus. What better way to get children reading the Word.
