

Manga fantasy is the swords-and-sorcery Japanese animation style featured in the most popular video role-playing games on the market. Best-selling author Christopher Hart's latest tutorial reveals the secrets and techniques that go into building these worlds of wonder. An increasingly fashionable style among both digital and traditional animators, manga enjoys unrivaled popularity among the game players themselves, allowing them entry into fabled worlds of startling beauty, terror, and adventure. Manga Mania Fantasy Worlds throws down the gauntlet for people interested in creating these scenes for themselves. Artists will learn how to illustrate detailed backdrops and landscapes, rugged weaponry, and, of course, fearsome creatures—aliens, faeries, ogres, and much more. In the straightforward style that is his trademark, Christopher Hart teaches the basics and the intricacies of creating manga fantasy illustrations that practically jump off the page.
