

This hilarious masterpiece of Japanese literature recounts the adventures of a disdainful cat accidentally cohabiting with a group of grotesque characters, all members of Tokyo's sanctimonious middle class during the Meiji era. These characters include the dyspeptic professor Kushami and his family, who are theoretical owners of the house where the cat lives; the teacher's best friend; the irritating charlatan Meite; and the young scholar Kangetsu. A satire with acerbic wit and sardonic perspective, this novel runs through the vicissitudes of a fickle cat philosopher who never tires of making the most incisive comments on the disparate band of human beings with whom he lives. Esta hilarante obra maestra de la literatura japonesa relata las aventuras de un gato desdenoso que cohabita por casualidad con un grupo de personajes grotescos, todos miembros de la clase media tradicional de Tokio durante la era Meiji. Estos personajes incluyen el descontento profesor Kushami y su familia, quienes son los propietarios teóricos de la casa donde vive el gato; el mejor amigo del maestro; el charlatan irritante Meite y el estudioso joven Kangetsu. Una sátira con un ingenio mordaz y un punto de vista sarcástico, esta novela cubre las vicisitudes de un gato filósofo voluble que no se cansa de hacer los comentarios más incisivos sobre la banda dispar de seres humanos con los que vive.
