

With so many disasters worldwide in addition to many uncertainties, this book is a must, a beginning point and provider of peace of mind. Survival Preparedness Tips is full of practical and field-tested ideas that will help you and your family be ready for any disaster. It is a MUST HAVE companion book for the many preparedness books that are available today. Written for both the experienced and the novice prepper, you're guaranteed to find ideas, tips, and suggestions that you won't find in any other book. And it is written with frugality in mind, so the tips won't break your budget! Most of the tips come with a shopping list at the end, so you'll know exactly what to buy, where to buy it, and some suggestions on sizes or dimensions. [You'd have to add a "Shopping List" at the end of each applicable tip if you wanted to have this here.] My father used to say: "If you want the job done right, do it yourself." I say: "If you want the job done at all, do it yourself." Survival Preparedness Tips will guide you through simple preparedness steps you can do easily to weather the storm. No pun intended! Learn about water storage, low-cost sanitation needs ideas and many more simple survival Ideas. This book provides three things, practical knowledge, practical knowledge and more practical knowledge. Don't get caught unprepared! Prepare today and sleep well tomorrow!
