

A handy resource for creating your own conception plan If you are one of the millions of women facing the challenges of infertility, you know that gathering and keeping track of all of the information involved can be difficult. This book, the first of its kind, helps you establish a solid organizational framework for working through the entire infertility evaluation and treatment process. It provides you with a comprehensive record-keeping resource while you are seeking safe and effective pregnancy. With its easy-to-customize personal conception plan, The Complete Fertility Organizer lets you organize and maintain control of all of the information involved. You will be able to easily track essential vital data such as fertility charts, procedures, medication records, test results, insurance, and physician information. If you become pregnant, you will be able to record information related to the prevention of miscarriage and premature labor, and use the tracking tools to help promote a healthy pregnancy. Whether you are just suspecting that you may have an obstacle to becoming pregnant or you are already undergoing extensive infertility treatments, The Complete Fertility Organizer delivers indispensable support and guidance.
