

In this atmospheric, intriguing historical mystery brimming with psychological tension, an unexpected inheritance plunges beloved British mystery author Josephine Tey into a disturbing puzzle of dark secrets eerily connecting the present and the past. When Josephine Tey unexpectedly inherits Red Barn Cottage from her estranged godmother, the will stipulates that she must personally claim the house in the Suffolk countryside. But Josephine is not the only benefactor; a woman named Lucy Kyte is also in Hesters will. Sorting through the artifacts of her godmothers life, Josephine is intrigued by an infamous death committed on the cottages grounds a century before. Yet this old crime-dubbed the Red Barn Murder-still seems to haunt the tight-knit village and its remote inhabitants. Is it just superstition, or is there a very real threat that is frightening the locals? Could the truth be related to the mysterious Lucy Kyte, who no one in the village admits to knowing? With a palpable sense of evil thickening around her, Josephine must untangle historic tragedy from present danger and prevent a deadly cycle from beginning once more.

The Feminist Spectator in Action: Feminist Criticism for the Stage and Screen, The Life and Times of the Thunderbolt Kid: A Memoir, Learn in You Car: Russian Level One (Learn in Your Car), At Last: Wallace Family Affairs Volume VII, Already Home, Big Book of Brewing, Managing Uncertainty: Be Successful, Innovative, Extraordinary, In Business., Spartan Frost (Mythos Academy),
