

Every relationship, romantic or platonic, direly needs critical keys for its success. Whether the relationship is between friends, spouses, parents, and children, this author has identified four critical elements (based upon a Christian perspective) needed for a relationship to thrive and positively flourish. All connections and associations must be rooted in strong foundational premises that will serve as building blocks for positive growth. This book will share with you the four Cs for building healthy relationships. As each individual incorporates Christ, communication, commitment, and compromise, these tenets properly used can be the catalyst for positive growth in any relationship you may have.
