

Although Mau Mau was militarily crushed in the mid-fifties, the struggle for land rights was only contained in Kenya's post-independence era. Kikuyu squatters on European estates who formed the backbone of this movement are the main subject of this book. Furedi breaks new ground in following the story of the participants of the rural movement during the decade after the defeat of Mau Mau. New archival sources and interviews provide exciting material on the mechanics of decolonisation and on the containment of rural radicalism in Kenya. North America: Ohio U Press; Kenya: EAEPBR>
