Amazon Review; Rancher Bill Belllounds had brought up Columbine as though she were his daughter. Out of affection for her foster father, Columbine had agreed to marry Bills son., Jack-a drunkard, gambler, coward, and thief. But the man she really loved was cowboy Wilson Moore, and he was everything Belllounds son should have been. Then the strange, clairvoyant little man they called Hell-Bent Wade came to work at the ranch. You can believe me when I say somethin will happen, he declared prophetically. Columbine isnt goin to marry Jack Belllounds. I loved to read the dialogue, Zane Greys books may be a little dated to the time period when he wrote them, but its still a good book.
