

Psychologist Heron Free was 34 years old when he fell madly in love. He thought he had found the perfect woman. But the moment he fully committed to her, she broke up with him. He was left heartbroken, wondering how he had misread the situation so badly. Unwittingly, this psychologist started a journey to better understand himself and the psychology of why relationships fail. He discovered that it is our mistaken assumptions and false expectations that cause relationships to fail. In this common-sense and from-the-heart book, counseling psychologist Heron Free, M.Ed, R.Psych, breaks the code that has stumped men and women time and time again. How can one avoid bad relationships and attract healthier, more positive ones? The Relationship Code is essential reading for anyone looking to be released from past heartbreak, revive an existing relationship, or find a new, happier one.
