

**Product Description**The first cocktail book of its kind with a uniquely Indian focus, The Tulleeho! Book of Cocktails provides you with information about the techniques and different styles of mixing drinks, including easy-to-follow cocktail recipes with accessible desi ingredients. Peppering the recipes are delightful trivia, anecdotes and facts, making the reading priceless for the home bartending enthusiast or even the most serious social drinker.  
**About the Author**On an August evening in Delhi, as the Bushmills Irish whiskey flowed, one said tulleeh and the other Tulleeho, scarcely realising what had been set into motion. One thing led to another-the registration of a URL, the hiring of Babul to design a site, the hectic bar reviews, the can we acquire you conversations, the back-ofnapkin angel investments, the busting of a business model and the birth of a new one. And so here they are today, pioneers of an array of beverage-tasting formats for consumer audiences, the foremost providers of beverage training and wine education in India, and advisors to some of the worlds top beverage companies.  
Founders: Venky (P Venkatesh), Chanty (Vikram Achanta) and Krishna Nagaraj.
