

The third book in the Unbegotten Saga. Vanifera Ramone was a young woman who had everything. But suddenly, things went terribly wrong. Thrown into an ancient conflict between the gods and the angels, Vanifera discovers that she is an entity called the Gaian, the monstrous vessel of the Anti-God known as the Vul Paux. In a relentless campaign, Montellace Dupri, the Pauxs field general, has managed to gather all the components he needs to free his master, including Vanifera. Huang creates and releases a hoard of zombies who now roam the earth killing everything in sight. With each kill, the victims themselves turn into zombies and join the ever-growing army of Dupri. Angelo, Sariel and the rest of the angelic host must now stop the hoard and find a way to get Vanifera back before the Paux can be released. As the Apocalypse continues to unfold, Vanifera must come to grips with the truth and stop Dupri from freeing the Vul Paux before the beast that has awakened inside of her destroys her soul as well as everything she holds dear.
