

Eoin Colfer has made millions of fans around the world with his much-loved character, Artemis Fowl, the star of his hugely best-selling series. Now, in a beautifully written novel that is already breaking records in his native Ireland, Colfer introduces readers to a lovable but troubled heroine, who has been given the opportunity for a special kind of redemption. Meg Finn is in trouble—unearthly trouble. Cast out of her home by her stepfather after her mother's death, Meg is a wanderer, a troublemaker. But after her latest stunt, finding a place to sleep is the least of her worries. Belch, her partner in crime, has gotten her involved in the attempted robbery of an elderly man, Lowrie McCall. And things go horribly wrong. After an accidental explosion, Meg's spirit is flung into limbo, and a race begins between the demonic and the divine to win her soul. Irreverent, hilarious, and touchingly hopeful, *The Wish List* takes readers on a journey of second chances, where joy is found in the most unexpected places.
