

La fuerza vital es una forma sutil de energía electromagnética. Es la corriente que anima toda vida y también la que forma la realidad fisiológica del cuerpo. En otras culturas se ha denominado Ki, Chi o Prana. El equilibrio de la polaridad es una técnica para dirigir la energía vital, fácil de aprender, sutil y sin embargo increíblemente eficaz. Utilizando las corrientes de fuerza del cuerpo cualquiera puede ayudar a otro a liberarse de los bloqueos energéticos que son el origen de todos los problemas, tanto físicos como psíquicos. Con la fuerza vital que fluye por nuestras manos podemos fácilmente liberar y equilibrar la energía de otra persona y al hacerlo experimentaremos también nosotros paz, alegría, amor y salud. With clearly written instructions providing neat, understandable illustrations, readers are introduced to the polarity circle and shown how to balance energy fields, unblock systems, and release energy to normal flow patterns.
