

To have and to hold from this day forward. Wedding bells are ringing in the charming town of Christmas, but not for Vivian Westfield. She's just had her heart trampled under the cowboy boots of Chance McBride and lost her dream job at a big-city newspaper. But when she returns for a wedding, she stumbles on a story that could resurrect her career. First, though, she'll have to deal with the handsome man standing in her way...and a still-burning flame that's too hot to ignore. Chance recognizes trouble when he sees it. He just didn't expect to find it in the first-class cabin on the flight home for his father's wedding. Yet there she is, as gorgeous as ever. Vivian dared Chance to want things he knew he could never have. It's why he left her. But Christmas meddling matchmakers have them firmly in their sights. So if they want to survive the next week, they'll have to play the part of an adoring couple - an irresistible charade that may give them a second chance at the real thing....
